*Proceedings of the Madras Government, Public Works Department,
1st February 1875.*

No. 10. Read the following letter from Major C H LUARD, R E, Officiating Under Secretary to the Government of India, Public Works Department, (Railway,) to Colonel G. W. WALKER, R E, Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 7th January 1875, No. 57 R.—

I am directed to acknowledge the receipt of your letter, No. 3,513, dated 14th December 1874, and, in reply, to convey the sanction of the Government of India to the estimate, amounting to Rupees 24,800, received with your No. 1,836, dated 9th July 1874, of the cost of constructing four additional double saloon first-class night carriages for use on the Madras Railway.

2 I am to say that this sanction is given more because it is recommended by the Madras Government than because a strong case has been made out. The Government of India trust that the additional accommodation that will thus be available will cause the first-class traffic on the Madras Railway to increase more especially on the North-West Line, now that the Nizam's State Railway has been opened for traffic.

3. The sanction accorded in paragraph 1 has been registered as No. 39 M.R. of 1874-75.

No. 11. ORDER THEREON, 1st February 1875, No. 266.
