*Proceedings of the Madras Government, Public Works Department,
17th September 1875.*

No. 384. Read the following letter from J. O'SHAUGHNESSY, Esq., Acting District Engineer, Tanjore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tranquebar, 6th September 1875, No. 1,660 :—

I HAVE the honor to bring to your notice that in G. O., dated the 8th August 1873, No. 1,974, a sum of Rupees 610 was allotted to this district for the purchase of office tents.

2. The District Engineer distributed this amount as follows :—

	Rs.
To District Engineer's Office	250
„ Tanjore Range Office	120
„ Mayaveram do.	120
„ Negapatam do.	120
Total	610

3. The sums assigned to the Tanjore and the Mayaveram Ranges were utilized, but no steps appear to have been taken to provide the tents, at all events tents were not provided for the District Office or for the Negapatam Range Office, and the amount assigned to these offices, Rupees 370, was surrendered to Government on the 7th February 1874.

4. Again, in G. O., 21st September 1874, No. 2,684, a sum of Rupees 200 was sanctioned for the purchase of a tent for the District Engineer's Office, but a tent was not purchased.

5. Lieutenant Romilly, R.E., at present in charge of the Negapatam Range, has now applied for an office tent, and he cannot do his work efficiently or systematically without one. Colonel Oakes will probably give one of his own tents for the use of the District Office, as he did before for several years, until a Government tent is purchased, but a tent should, I think, be provided as soon as possible.

6. I therefore request that you will obtain the sanction of Government for the re-allotment to this district of the amount, Rupees 370, surrendered in 1874, and arrangements will be made to have tents supplied to the Negapatam Range Officer and to the District Office without more delay.

No. 385. ORDER THEREON, 17th September 1875, No. 2,676.

ACCOUNT, No. 15.

THE Government regret that there are no funds available at present under "Tools and Plant" for allotment for the purchase of office tents.
