Proceedings of the Madras Government, Public Works Department,
20th September 1875.

No. 435. Read the following letter from Captain ROSS THOMPSON, R.E., District Engineer, Presidency, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 11th September 1875, No. 2,559 :—

I HAVE the honor to submit, for sanction of Government and allotment of funds, a plan, specification report, and an estimate, amounting to Rupees 433, for dismantling the present dry-earth shed and rebuilding the same in the corner of the compound of the Royapettah Dispensary.

1 Plan.
1 Estimate.
1 Specification.

2. The position of the present shed is considered objectionable, as it encloses the dead-house window and projects into the hospital ground. It would very much improve the compound were it removed to the south-east corner, as shown in the plan.

3. The Surgeon-General, Indian Medical Department, at whose request the plan and estimate have been prepared, has approved of them.

No. 436. ORDER THEREON, 20th September 1875, No. 2,700.

CIVIL WORKS, No. 32.

SANCTIONED for execution when funds are available, there being none at present.

Specification to accompany a plan and estimate for building a Dry Earth shed in the Compound of the Royapettah Dispensary.

Amount of Estimate Rs. 453-0-0

The existing Dry Earth Shed A. is to be removed and a new one to be built in the South East Corner of the Compound as shewn on the accompanying plan. The walls are to be of brick in mortar plastered with 2 Coats of Chunam. It is to have a tiled roof made of Pulmirah rafters and teak Purlins, planks and Chunam borders.

The front of the shed is to be open and the ends closed.

Dimensions will be found in detail on the plan and estimate.

The old shed is to be sold by public Auction with the exception of 3000 planks which are to be used in the new Construction.
