House Rent for Non-Commissioned Officers of the Commissarial Dept.

Directing the Dir. Engr., Presidency, to continue to pay the regulated rates of ——, as it was not intended by G.O. No. 1704 of 17th June 75, that any alteration of the existing practice should be made.

Proceedings of the Madras Government, Public Works Department, 20th September 1875.

No. 472. Read the following letter from Captain ROSS THOMPSON, R.E., District Engineer, Presidency, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 11th September 1875, No. 2,561 :—

In G. O., No. 1,704, of 17th June 1875, it has been decided that, as "no further action should be taken in connection with the buildings proposed to be provided at Royapooram for Warrant Officers of the Commissariat Department, it will be preferable to rent quarters for them."

2. With reference to the above-quoted decision, the Commissariat Storekeeper-General in a letter, No. 1,225, of 29th July 1875, has requested me to rent quarters for five Warrant and Non-Commissioned Officers of his department.

3. The regulated Presidency rates of house-rent have hitherto been paid to the Warrant and Non-Commissioned Officers in question; but the Commissariat Storekeeper-General in a letter, No. 1,453, of 26th August 1875, points out that from G. O., No. 1,704, dated 17th June 1875 "it appears that Government sanctions the renting of quarters for Warrant and Non-Commissioned Officers of this department, and does not allude to the house-rent allowance which is not sufficient to provide suitable quarters for the men concerned."

4. I have therefore the honor to request instructions as to whether I am to pay the men in question the regulated rates of Presidency house-rent as heretofore, or rent quarters for them at such higher rates as may be found necessary in order to secure suitable accommodation.

No. 473. Order thereon, 20th September 1875, No. 2,719.

ACCOUNT, No. 20.

The Presidency District Engineer will continue to pay the regulated rates of house-rent. It was not intended by the G. O. alluded to that any alteration of the existing practice should be made.
