No. 479. Read the following Proceedings of the Government of India in the Public Works Department (Account—Guaranteed Railways), dated Simla, 30th August 1875, Nos. 249—51 A.—G. R. :—

- (3). Despatch from Secretary of State, No. 176 R, dated 26th November 1874.

RESOLUTION.—At the time that the restrictions regarding the purchase of stores contained in paragraph 8 of the Resolutions above quoted were laid down, it was intended that all stores required for stock should on all completed Railways be purchased from Revenue Advance Funds until such time as the stock of the several Railways should be reduced to the limits that should be fixed for each. But as this proposal has not been confirmed by the Secretary of State, it is necessary to modify the rule, and the Governor-General in Council is now pleased to direct that, until further orders are issued, all purchases of stores for stock should be made from Capital Advance Funds. Consulting Engineers, however, should be careful to exercise a rigid scrutiny on all demands for stores for stock and should sanction no purchases in excess of probable reasonable requirements.

2. Indian stores required for Revenue purposes should be purchased, as far as possible, only as the articles are actually required, and all such purchases should be paid for direct out of Revenue Advance Funds and be charged off direct to Revenue without passing through the stores or store accounts in any way.

ORDER.—Ordered that this Resolution be communicated to the Governments of Madras and Bombay for information and guidance, and also that a copy be forwarded to the Accountant-General, Public Works Department, for information.
