*Proceedings of the Madras Government, Public Works Department,  
22nd September 1875.*

No. 521. Read the following letter from W. B. LEGGATT, Esq., A.I.C.E., Officiating District Engineer, Bellary, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bellary, 13th September 1875, No. 1,356:—

With reference to paragraph 4 of G. O., No. 1,931, dated 2nd August 1873, directing that applications for office tents be specially submitted, I have the honor to state that great difficulty is experienced in this district for the want of an office tent, and beg to request that I may be permitted to purchase one at an early date. It is not known when the last tent was purchased; and I am informed that there has been no Government tent in use in this district for many years, the marching establishment of this office was accommodated in private tents, but I have only a sufficient number for my own use.

2. I have ascertained that Messrs. Burton and Co., tent-makers at Madras, have one new hill tent 9 x 9 feet, with sywans complete, made up of English canvas, for Rupees 200, I trust that you will be so good as to obtain the early sanction of Government for a grant of Rupees 200 under Tools and Plant, Imperial, for the purchase of the above tent.

3. The sum of Rupees 250 granted in G. O., No. 1,974, dated 8th August 1873, for the purchase of tents has been allotted to ranges as follows:—
