*Proceedings of the Madras Government, Public Works Department,
23rd September 1875.*

No. 539. Read the following letter from Major J. BRATTY, R.E., Acting Superintending Engineer, Godavery, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 9th September 1875, No. 1,779:—

I HAVE the honor to bring to your notice that the Sub-Engineer in charge No. 2 Range reports that the plaintiff in the suit alluded to in my letter embodied in G. O. No. 1,053 of the 16th April 1875, has appealed from the decision of the District Munsif's Court at Amalapur to the Civil Court at Rajahmundry, and requests permission for the entertainment of a Pleader to defend the suit on his behalf.

2. Mr. Ellis further states that he did not inquire of the Munsif whether his decision was final on the suit, as he was then under an impression, from remarks made by his Pleader, that no appeal would be made. For some time after the Munsif's decision was given the plaintiff made no further move in the matter.

3. The District Munsif also informs Mr. Ellis that he could not have informed him of an appeal having been made until he had notice of it from the higher Court.

4. Under these circumstances, I request you will be good enough to obtain the sanction of Government to the Range Officer defending the suit and debiting the costs incurred to the head "Contingencies."

No. 540. ORDER THEREON, 23rd September 1875, No. 2,751.
