*Proceedings of the Madras Government, Public Works Department,
29th September 1875.*

No. 606. Read the following letter from J. D. GRANT, Esq., Officiating District Engineer, Tinnevely, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 15th September 1875, No. 72:—

I HAVE the honor to forward a revised estimate for the police huts at Sattoor, the excess over the original estimate being Rupees 300.

1 Comparative Statement.
1 Abstract Estimate.

* Sanctioned in G. O., No. 735, of 16th March 1875.

2. The original estimate* provides for building the walls of mud, but when carried into execution it was found that

the neighbouring soil from which mud was obtained being bad, the walls no sooner dried than they cracked right through and in all directions. It has been necessary, therefore, to use sun-dried bricks prepared near the river, as it was useless following the estimate provisions with so unsatisfactory a result.

3. I have the honor to request that under these circumstances the revised estimate of Rupees 3,150 may be sanctioned, and the additional sum allotted.

No. 607. ORDER THEREON, 29th September 1875, No. 2,788.

CIVIL WORKS, No. 39-A.

THE revised estimate, amounting to Rupees 3,150, for constructing ten Constables' huts at Sattoor in the Tinnevely District is sanctioned. It is observed that Rupees 2,850 were allotted for these huts in G. O., No. 2,086, of 22nd July 1875. There being no funds at the disposal of Government, the Inspector-General of Police will suggest how the additional funds required may be provided.
