*Proceedings of the Madras Government, Public Works Department,
2nd February 1875*

No. 35 Read the following letter from Lieutenant-Colonel J H M SHAW-STEWART, R E, Consulting Engineer for Railways, to Colonel G W WALKER, R.E, Secretary to Government, Public Works Department, dated Madras, 15th January 1875, No 35.—

I HAVE the honor to enclose, herewith, for transmission to the Government of India, a statement showing the estimated gross earnings, expenses, and net profits of the Madras Railway for the half-year ended 31st December 1874, in comparison with those of the corresponding half of the previous year, together with a letter from the Agent, No. 52, of the 14th instant, explanatory of the expected decrease in the receipts and expenditure.

From R B ELWIN, Esq, Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J H M SHAW-STEWART, R E., Consulting Engineer for Railways, dated Madras, 14th January 1875, No 52

With reference to your letter, No 28, dated the 7th instant, I have the honor to enclose you a statement showing the estimated gross earnings, expenses, and net profits of this Company for the half-year ended 31st December last, as compared with the corresponding half of the previous year.

2 You will observe that the estimated decrease in earnings is Rupees 2,04,216-7-11 which is accounted for by the breaks on the North-West and South-West Lines during the months of October, November, and December.

3 The probable decrease in working expenses, amounting to Rupees 1,69,602-12-6, is due to a smaller expenditure on the reconstruction of the Cheyaur Bridge.
