Enclosure
1 Copy of Notes.

I am forwarding to you for information a copy of Major C. J. Smith's notes on the Pomar Bridge work, I have the honor to inform you that I quite agree with that officer that an experienced subordinate should be placed in sole charge of the work, in fact it is essentially necessary now that the survey duties on which Mr. Asst Engr. Garrett is engaged require him to be absent from the Quarters a great deal.

2. I have therefore deputed sub-
inspector Mr. Anderson to this work
~~and have appointed~~ one Mr. Sturgeon
(who has passed as surveyor and has
had some experience in the work of

30
the Department in the Punjab) as
acting sub overcut in the Ludda-
lowe Talug as a temporary arrange-
ment, his salary will be that of the
second grade viz Rs 50 with the
usual Travelling allowance and
I request the sanction of Government
be obtained through the Revenue
Board for the entertainment of this
additional hand. it is quite
impossible I can be responsible
for the proper execution of the works
in the talug and at the Bridge
without a suitable staff of sub-
ordinates.

I have the honor to be
Sir

Your most Obedt Servt

Recd letter No 165, dated 20 July
1895, from the District Engineer, for-
warding for information copy of -
Major Smith's notes on the Poniat
Bridge with a request that sanction
of Government may be obtained for
the entertainment of the temporary -
Sub Overseer Mr. Sturgees for
Cuddalore Taluk during the employ-
ment of Mr. Anderson on the Bridge
work. -

21. The Board recognize the de-
sirability of separate supervision for
this important work. but they do not
understand why it should be
necessary for them to make any ap-
plication to Government on the sub-
ject. They conceive that the
payment of 25 percent for super-
vision covers their responsibility in
such matters.
