*Proceedings of the Madras Government, Public Works Department,
29th September 1875.*

No. 649. Read the following letter from A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department, (Establishment—General,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 13th September 1875, No. 1,402 E.—G. :—

I AM directed to acknowledge the receipt of your letter, No. 2,252 of 4th August 1875, explaining the reason why the Government of Madras passed the order ruling that the expense of conveying the horses and tents of Assistant Engineers on their first posting to a district should be defrayed by the State, *viz.*, that in the Madras Presidency these officers are obliged, as a rule, to purchase tents and horses in Madras and convey them to the districts to which they are posted.

2. In reply, I am directed to state that the Government of India has only sanctioned the conveyance of horses and tents by railway at the public expense in those exceptional instances when the officer is specially ordered so to carry them. In cases where the officer conveys horses and tents by railway, as a matter of ordinary custom, or for his own convenience, he must bear the expense himself.

No. 650. ORDER THEREON, 29th September 1875, No. 2,810.
