Enclosures seven. that officer that I have no funds available, there being no allotment for this district for Minor New Works—Civil Buildings.

2. I have examined the building in question, and herewith submit a plan of the same with revised estimate amounting to Rupees 450. I propose to use some of the windows, &c., from the old Cutcherry, and I request the permission of Government to my removing all the wood and iron work in the old Cutcherry, which may otherwise get eaten by whiteants, which are infesting the building, and to my selling by auction such as are not required for immediate use.
