*Proceedings of the Madras Government, Public Works Department,
11th October 1875.*

No. 146. Read the following letter from Major C. J. SMITH, R.E., Officiating Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 4th October 1875, No. 547:—

I HAVE the honor to submit, for the sanction of the Government of India, Indent, No. 189, on the Board of Directors of the Madras Railway Company for stores required for use by the Locomotive Department, the approximate cost being Rupees 54,525.

2. The articles being urgently required, I have authorized the transmission of the Indent to England for compliance in anticipation of the sanction of Government, and trust that this course will be approved.

From R. B. ELWIN Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 29th September 1875, No. 1,017.

I HAVE the honor to forward herewith (in triplicate) an Indent, No. 189, on the Board for certain stores required in the Locomotive Department.

2. Mr. Boodle tells me that the iron casing plates are urgently required as the stock is nearly exhausted, and he anticipates that it will very shortly be necessary to supply many of the engines now running with new fire-boxes.

3. It will be observed, from the information given upon the Indent, that the suction and delivery pipes are also very much needed; and I shall therefore feel obliged by your authorizing me to transmit the Indent to England for compliance at the earliest possible date.

No. 147. ORDER THEREON, 11th October 1875, No. 2,897.

RAILWAY, No. 12.

ORDERED that the Indent be forwarded to the Government of India. The action of the Officiating Consulting Engineer is, under the circumstances, approved.
