2nd February 1875.*

No. 58. Read the following Proceedings of the Madras Government in the Revenue Department, dated 19th December 1874, No. 165.

Read the following Proceedings of the Board of Revenue, dated 17th December 1874, Miscellaneous No. 8,904.

From J. H. GARSTIN, Esq, Collector of South Arcot, to J. GROSE, Esq. Secretary to the Board of Revenue, dated Cuddalore, 8th December 1874, No. 637.

IN G O., No. 636, dated 19th April 1872, Revenue Department, the plan of a new office for Deputy Collector Stri Balah was approved and transferred to the Department of Public Works for execution when funds became available.

2. The work is entered in the list of works to be carried out this year, but no allotment has been made for its execution.

3 I have recently visited Trikalore and find the building formerly used as an office is in a very ruinous and dangerous condition, and that the Deputy Collector has to hold his office in a chuttrum. I beg therefore to recommend that Government be moved to allot funds for this work as soon as possible.

4. Stri Balah is anxious to have his office outside the town. It might be built on the same piece of ground that has been selected for the office of the Assistant Superintendent of Police.
