15th October 1875.*

No. 240. Read the following letter from Lieut.-Colonel J. J. McLEOD INNES, R.E., Deputy Secretary to the Government of India, Public Works Department, (Account—Telegraph,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 30th September 1875, No. 165 A.—T. :—

It has been proposed to make certain alterations in the system or series of telegraphs in Southern India, and among the arrangements thereby involved one would be the establishment of a Telegraph Office at Madura. The Director-General of Telegraphs having, therefore, in anticipation of sanction to this proposal, provided a sum of Rupees 18,000 for the construction of a building for the office at Madura, I am directed to request that it may be stated whether, in the event of the alterations referred to being approved, the necessary accommodation could not be provided in some existing public building at Madura.
