

*Proceedings of the Madras Government, Public Works Department,
15th October 1875.*

No. 247. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Pereacolum, 1st October 1875, No. 2,623:—

With reference to paragraph 2 of G. O., of the 13th September 1875, No. 2,619, I have the honor to request you will be good enough to inform me if only six Sub-Overseers in all (inclusive of the one in the Pereacolum taluq) are to be appointed for the six taluqs of this district, or if there are to be two of each grade in each taluq; if two of each grade only are appointed, one taluq will have a man on Rupees 60 a-month, and another one on Rupees 20 a-month, and as the works to be attended to are much the same the arrangement would be inconvenient. I would beg to suggest six Sub-Overseers of the 1st grade be appointed for the six taluqs, including the individual in the Pereacolum taluq, and three only of the 2nd grade.

No. 248. ORDER THEREON, 15th October 1875, No. 2,949.

ESTABLISHMENT, No. 16.

THE Government Order is clear. Six Sub-Overseers are allowed, one for each taluq of the Madura District; two of the 1st, two of the 2nd, two of the 3rd grade. The District Engineer will distribute them as he thinks fit.
