*Proceedings of the Madras Government, Public Works Department,
19th October 1875.*

No. 319. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 12th October 1875, No. 2,862:—

I have the honor to bring to the notice of Government that in the sanctioned estimate of Rupees 10,500 for constructing the Sub-Magistrate's Cutcherry and Subsidiary Jail at Tiruchuly a sum of Rupees 375 was provided for the value of the land on which the Cutcherry has been erected. This amount was not paid as the ownership of the land was in dispute. The work was completed during the last official year, and completion certificate was furnished to the Controller by Sub-Engineer N. Mooneappah Pillay who was recently in charge of the Madura Range.

2. As the Collector has in his letter, No. 2,115, under date the 25th ultimo, intimated to me that the dispute has been settled, and that a sum of Rupees 430 is now required for payment as price of the land, I request that Government will be pleased to allot the above-mentioned sum of Rupees 430 from such funds as may be available at their disposal or by transfer from other districts, if possible, to enable the Collector to make the required payment.

3. The estimated cost of the work was Rupees 10,500 and the actual cost Rupees 10,122, leaving a balance of Rupees 378, which is more than the estimate provided for land compensation which could not be paid till the Collector had settled the dispute relating to this land.
