TABLE OF CONTENTS.

Section.	Contents.	Page.	Column.
I	Description of Railways, including length open, cost of construction, length of steep gradients, &c. ... Traffic; coaching traffic, mileage and receipts ... Ditto; goods traffic, mileage and receipts, including miscellaneous ... Financial results; gross, per train mile, per open mile ... Haulage, including number of trains run, train mileage, load-carrying vehicle mileage, gross ton-mileage and average composition of trains ...	2-3 2-3 4-5 6-7 8-11	1-15 16-35 36-81 82-124 125-79
II	Details of coaching traffic shewing number, receipts fare per mile, average mileage and total mileage of single and double journey passengers and of troops and Police, &c. Also receipts for parcels, luggage, &c. ...	12-19	1-162
III	Details of goods traffic shewing up and down ton-mileage, rate per ton-mile, total receipts and average mileage of goods of all classes and of Government stores, Railway materials, minerals, live-stock, &c. ...	20-5	1-98
IV	Details of sundry receipts, including earnings from electric telegraph, steam boat traffic, &c. ...	26-7	1-35
V	Detailed statement of the principal commodities carried shewing quantity and receipts ...	28-33	1-94
VI	Detailed statement of miles maintained shewing mean mileage maintained of double and single line and of sidings ... Detailed statement of train-mileage shewing the mileage run for the Traffic, Locomotive and Maintenance Departments, and the hours of employment of engines on shunting, piloting, &c. ... Detailed statement of vehicle mileages shewing for each class of vehicle, the number constructed and the mileage run in the gross and per vehicle ... Detailed statement of ton-mileage of each kind of vehicles, freight and dead weight ...	34-5 34-5 36-9 40-1	1-15 16-25 26-101 102-31
VII	Detailed statement of the expenditure on maintenance of way, works and stations, shewing for each item the total cost and the cost per mile of the maintained, per mile of track including sidings, per train mile and per 1,000 ton-miles ... Detailed statement of maintenance of rails shewing for each description of rails, the average age, the length laid in way and the length renewed, the weights (numbers of tons) hauled over them, &c. ... Detailed statement of maintenance of sleepers shewing for each description of sleepers, the total number in way, the average age of sleepers in way and the number renewed ...	42-5 46-51 52-7	1-98 99-234 235-333
VIII	Detailed statement of Locomotive Department expenses shewing for each item the total cost and the cost per train mile and per 1,000 ton-miles ... Detailed statement of locomotive power shewing for each description of engine, the total number erected, the numbers repaired and renewed during the half-year, the average number constantly under repair and the number constantly at work, the train miles hauled, weight of coal consumed, &c. ...	58-61 62-5	1-81 82-146
IX	Detailed statement of carriage and wagon expenses shewing for each item the total cost and the cost per train mile and per 1,000 vehicle miles ... Detailed statement of repairs and renewals of vehicle stock shewing for each class of vehicle the total number erected, the average mileage run per vehicle, the numbers repaired and renewed and the average numbers under repair at any one time ...	66-9 68-73	1-56 57-136
X	Detailed statement of traffic expenses shewing for each item the total cost and the cost per train mile and per 1,000 vehicle miles ...	74-7	1-56
XI	Detailed statement of general charges shewing total cost and cost per train mile of Home expenditure, cost of Indian management, medical expenses, electric telegraph, rents, &c. ...	78-9	1-40
XII	Detailed statement of expenses connected with the steam boat service ...	80-1	1-24
XIII	Detailed statement of special and miscellaneous expenditure shewing law charges, amounts paid as compensation for losses and damage of goods, &c., rates and taxes, amounts contributed to special funds, &c. ...	82-3	1-16
XIV	Detailed statement shewing in comparison the earnings and expenses per mile due to each vehicle hauled and each unit of coaching and merchandize traffic carried ...	84-7	1-99

Average age of rails in way at the middle of the half-year.				Inverted.				Renewed.				Average number of tons hauled over each kind of rail in the half-year.				Average number of thousands of tons hauled over each kind of rail during average age of rails in way (Column 228).							
Miles.				Total.				Per mile of rail in way (Column 219).</																																							

(a).—The difference between the number of miles of rail as shown in this table and that given in Table D arises from the fact of excluding Permanent-way materials in that portion of the Jubbulpoor Line Station used by the Great Indian Peninsula Railway Company from Table D.

- (a).—Includes train-miles run by engines hired out to construction works.
 (b).—Calculated on total train-mileage, exclusive of that run by engines hired out to construction works.
 (c).—Of this number, 25 are awaiting repairs, and 16 constantly under repairs.
 (d).—This includes 15 goods vehicles repaired during the half-year, not shown under any of the foregoing columns.
 (e).—Number of engine miles.
 (f).—Weight of fire-wood used per train-mile by wood-burning engines.
 (g).—Traffic train-miles.
 (h).—Calculated on traffic train-mileage.
