Adjutant General's Office
Fort Saint George
19th March 1875.

No. 166

From
Brigadier General R. C. Stewart
Adjutant General

To
The Secretary to Government,
Military Department

Sir, I have the honor, by order of the Commander-in-Chief to forward for submission to Government a letter from Captain H. M. Tibaut, Royal Engineers, intimating to notice that it has hitherto been usual to "head" the Principal of the Civil Engineering College at Madras, and that some provision in his room, and that since the departure of Colonel Colquhoun and the appointment of Lieutenant Colonel Rogers, this has not been done

Note

2 With reference to that statement I am desired to observe, that vide G.O.C. No 242 of 1872, page 184, no Officer of the late Indian Engineers will be seconded and succeeded in his Corps.

3. And under a late despatch from the Secretary of State for India, Communicated in Proceedings of Government dated 12th March 1875, No 1170, it is observed, that Major Smith of the late Madras Engineers has been placed upon the Seconded List, on the understanding that his will be the last case.

4. Sir J. P. Haines is therefore of opinion, that Captain Vibart's application is inadmissible, and would suggest that his attention be directed to the provisions of the G.O. above quoted.

I have the honor to be,
Sir,
Your Most obedient Servant,
Lieutenant
Brigadier General
Adjutant General
