*Proceedings of the Madras Government, Public Works Department,
1st November 1875.*

No 17. Read the following endorsement of the Officiating Chief Secretary to Government, dated Ootacamund, 11th October 1875, No 576—

Read the following Proceedings of the Board of Revenue, dated 4th October 1875, No 2,771

Read the following letter from J R COCKERELL, Esq, President of the Local Fund Board, Nilgiris, to H E. STOKES, Esq, Acting Secretary to the Board of Revenue, dated Ootacamund, 10th September 1875, No. 30

The District Engineer recently addressed to the Local Fund Board stating "The Local Fund Board Overseer Vydhalingam Pillay is very much in want of an establishment to perform his office duties. All the other Overseers in this district have each been provided with a writer on a salary of Rupees 15, and two Lascars at 6 Rupees each per mensem. They are also allowed stationery, &c, under the head of contingencies." Captain Morant added that Vydhalingam Pillay has as much to do as other Overseers, and that he has been obliged to throw the office work of the Overseer, much to his inconvenience, on his office establishment. He requested the Board to allow Vydhalingam Pillay a Writer on Rupees 15 per mensem, and an additional Lascar on 6 Rupees per month with Rupees 30 per annum for office contingencies.

2 The Board passed the following resolution upon the letter of the District Engineer—

"The Board will request the sanction of Government for the employment of the additional establishment from the 1st April next, and also for an allotment for contingencies. No provision can be made during the current year."

3 The reason the Local Fund Overseer has not hitherto had any establishment except a Lascar is because the appointment is recent, and on its creation the question of an establishment equal to that of other Overseers was not brought up.

SUBMITTED for the orders of Government

2 Under G O, Financial Department, dated 18th June 1873, No. 857, the Local Fund Overseer can be allowed a Clerk on Rupees 15 a month.

3 There is but one Lascar allotted to each of the Local Fund Overseers throughout the Presidency, but from the District Engineer's letter quoted it would appear that the Imperial Overseers of the district are allowed each two Lascars.

4 The necessity for the proposed contingent allowance of Rupees 30 per annum is not apparent, no such allowance having been granted to any Local Fund Overseers.

5 Under the present arrangements, the cost of the Local Fund Petty Establishment must be paid out of the 25 per cent on expenditure contributed towards the cost of the Public Works Department by the Local Fund Board.

(A true Copy and Extract)

(Signed) H E. STOKES,
Acting Secretary.

*Proceedings of the Madras Government, Public Works Department,
1st November 1875.*

TRANSFERRED to the Public Works Department for disposal.

(Signed) D F CARMICHAEL,
Officiating Chief Secretary

No 18 ORDER THEREON, 1st November 1875, No 3,094

ESTABLISHMENT, No 1.

Now that the appointment of all Local Fund Sub-Overseers has been transferred to the Public Works Department, and that they will have to be borne on the permanent establishment lists of that department, it becomes necessary to organize such lower subordinates in a systematic manner, and to take care that they do not become disproportionate in numbers and cost to the other branches of the establishment. District Engineers therefore will report as soon as possible the numbers and salaries and allowances of all lower subordinates lately transferred to the permanent Public Works Establishments of their districts, and will report what modifications of the existing arrangements appear to them to be necessary.
