

*Proceedings of the Madras Government, Public Works Department,
1st November 1875.*

No 19. Read the following letter from Lieutenant-Colonel R F OAKES, R.E.,
Superintending Engineer, Tanjore, to Major-General G W WALKER, R.E.,
Secretary to Government, Public Works Department, dated Tanjore, 23rd
October 1875, No 2,030 —

UNDER No I of the Rules published in G. O G, No. 1,667, dated 30th Sep-
tember 1868, relative to the sale of property to natives by officers in the service of
Government, I have the honor to forward herewith, for the orders of Government, a
letter received from Lieutenant Romilly, R.E., Assistant Engineer, requesting
permission to dispose of a bullock coach to a native who is employed as a contractor
in his range.

From Lieutenant F J ROMILLY, R.E., Assistant Engineer in charge of No 3 Range, Nega-
patam, to Lieutenant-Colonel R F OAKES, R.E., Superintending Engineer, Tanjore,
dated Negapatam, 18th October 1875, No 416

I HAVE the honor to ask your permission to dispose of a bullock coach that I have to John
Arokiem Pillay, late Head Accountant in this range, and now a contractor for certain works in
the range

2 I purchased the coach about two years ago, paying Rupees 140 for it, and used it a good
deal while on special duty, and when I almost invariably had to march by night. Now I scarcely
ever use it, and, as it is only lying by idle and I have no room for it in my stables, I should be
glad to get rid of it.

3 It is perfectly sound and good to the best of my knowledge, and only requires repainting
and a few repairs to the lining. I ask Rupees 70 for it.

No 20 ORDER THEREON, 1st November 1875, No. 3,095.
