

*Proceedings of the Madras Government, Public Works Department,
1st November 1875.*

No. 23. Read the following letter from E. H. PRINGLE, Esq, Acting Special Executive Engineer, Wynaad, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Luckade, 18th October 1875, No 757 —

UNDER G O, No 2,825, dated 30th September 1875, I have the honor to forward a claim for charge allowance for holding the two executive divisions of North and South Wynaad since the 14th of June 1875.

2 It will be remembered that the application for the services of Mr Potter for North Wynaad made by Colonel Kennedy was refused by Government in their Order, No 1,223, dated 1st May 1875, in which I was directed to take sole charge of Wynaad This has entailed a large amount of travelling, through which I have suffered in both health and purse. The additional responsibility has, moreover, been considerable.

3. I would beg also that it may be taken into consideration that the short-handedness of the department prevented me taking three months' leave last spring, and that the further continuous service expected in paragraph 2 of G. O., No 1,223, above mentioned, will assuredly oblige a longer absence than three months when I do obtain leave, thereby allowing privilege leave on full pay due to 4½ years' service to lapse.

24. ORDER THEREON, 1st November 1875, No. 3,097.

ESTABLISHMENT, No. 4

The Controller will admit Mr. Pringle's claim subject to the approval of the Government of India which will be applied for.

2. Mr Pringle is reminded that privilege leave is not claimable as a right, but only on condition of its being compatible with the interests of the public service. There is no record of his having applied for leave in the spring and having been refused.

ESTABLISHMENT, No 5

SIR,—In the middle of June this year, Lieutenant-Colonel Kennedy, then Special Executive Engineer, Wynaad, proceeded to England on six months' furlough, and the two executive divisions of that district were placed under the charge of Mr. E H Pringle, as the Honorable the Governor in Council did not consider it necessary to send an additional officer to take up duties of a special nature for the short period of Lieutenant-Colonel Kennedy's absence.

2 Mr Pringle now puts forward a claim for charge allowance for holding executive charge of two divisions which, under the provision contained in Section 25 (d), Chapter VIII, of the Acting Allowance Code, the Honorable the Governor in Council has sanctioned provisionally, subject to the approval of the Government of India, and I am now to request that such sanction may be confirmed by the Government of India.

I have the honor to be,

Sir,

Your most obedient servant,

Major-General, R E.,

 Mysore } H.E. No. 107 dated 18th Oct. 1875

Mr. Prince is informed that G.O. No. 1182 of 29th April, with copy of which he will be supplied, is considered to meet his case rather than the order he quotes. He already draws 50 per cent additional on the Pay and Travelling Allowance of his rank, and should be content. Prince's leave is not claimable as a right.

Sir

In the middle of June, this year Lieut. Col. Kennedy then Special Executive Engineer Wynand proceeded to England on a 6 months furlough and the two Executive divisions of that district were placed under the charge of Mr. E. W. Pringle, as the Honorable the Governor in Council did not consider it

necessary to send an
additional officer to
take up duties of a
special nature for the
short period of Colonel
Kennedy's absence.

Mr. Pringle now puts
forward a claim for
charge allowances for
holding executive charge
of two Divisions which
under the provision
contained in Section
25 (d) Chapter VIII of
the Acting Allowances
Code, the Honorable
the Governor in Council
has sanctioned pro-
visionally, subject
to the approval of the
Government of India
and I am now to request

that such sanction
may be confirmed by
the Government of
India.
