From F BRICKWELL, Esq, c e, Assistant Engineer in charge of Golgondah Range, to Major J W HINDLE, Officiating District Engineer, Vizagapatam, dated Yellamunchelly, 28th September 1875, No 182

With reference to your endorsement, No 863 of the 2nd instant, on the G O, No 2,248, of the 4th ultimo, requesting to state at whose instance the estimate for improvements to the Nursipatam Cutcherry was prepared, I have the honor to enclose a copy of the letter received from the Principal Assistant Collector, in which he asked my opinion whether a new Cutcherry should be built for the Tahsildar at Nursipatam, or whether it would be worthwhile to repair the old one. This matter I brought to your notice in my No 671, of 2nd September 1873, in which I requested you to furnish me with a plan, which was prepared and sent to me with your letter No 453, of the 1st June 1874.

2 I further have the honor to refer you to G O, No. 1,691, of the 24th June 1874, which contains the list of Civil Buildings submitted by the Board of Revenue for guidance of District Engineers in preparation of plans and estimates for future Budgets

Proceedings of the Madras Government, Public Works Department,
2nd November 1875.

From A CRUICKSHANK, Esq, Principal Assistant Collector, to F BRICKWELL, Esq, C.E.,
Assistant Engineer in charge of Golconda Range, Yellamunchelly, dated 12th May
1873, No 132

The Cutcherry of the Tahsildar at Narsipatam is in very bad order, and I have therefore
the honor to request that you will be good enough to take steps to have it repaired

2 I myself do not think that there is much use in spending much on repairing it, for a new
one must, I should think, be built soon

3 I shall feel obliged by your letting me know what you think of the building, so that if
you think spending much on repairing it would be merely wasting money, I may write to the
Collector and request him to take steps to have the construction of a new Cutcherry sanctioned
