

*Proceedings of the Madras Government, Public Works Department,
4th November 1875.*

No. 78 Read the following letter from Lieutenant-Colonel R. F. OAKES, R.E.,
Superintending Engineer, Tanjore, to Major-General G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Tanjore, 27th
October 1875, No 2,046 —

I HAVE the honor to state that Sub-Engineer Mooneappah Pillay, in charge of the
Mannargoody Range in this district, submitted a bill for the conveyance of his office
records, during August and September last, amounting to Rupees 10-10-0, basing the
claim upon G O, No 2,221, dated 12th August 1874, authorizing similar charges
being passed to him while he was in charge of the Madura Range, in the Madura
District. On referring the matter to the Controller of Public Works Accounts, that
officer states that the Government Order referred to applies only to the Madura Range,
and that similar claims of the Sub-Engineer in regard to the Mannargoody Range cannot
be admitted without the special sanction of Government. I have the honor, therefore, to
request the orders of Government on the subject. I would observe that, as in Madura,
Mooneappah Pillay has charge not only of the range, but also of the sub-division of
the Pattucottah Taluq, as no sub-division officer can be appointed to it on account of
their being two vacancies among the sub-division officers, as reported in my No 1,978,
dated 14th instant. The range is a large one, covering an area of 1,245 square miles,
and it is necessary for the Sub-Engineer to take his office with him especially when
visiting the remote parts of the range; his claim therefore appears to deserve some
consideration.

No. 79. ORDER THEREON, 4th November 1875, No. 3,127.

ESTABLISHMENT, No 9. The special allowance granted to the
Sub-Engineer when in Madura was never
intended to be continued to him under any
other circumstances, and must be disallowed.
