*Proceedings of the Madras Government, Public Works Department,
5th November 1875.*

No 124 Read the following letter from Captain L CONWAY-GORDON, R E,
Controller of Public Works Accounts, to Major-General G W WALKER, R E,
Secretary to Government, Public Works Department, dated Fort St George,
2nd November 1875, No. 123 W. —

With reference to the Proceedings of Government, No. 2,926, dated 13th October,
I have the honor to observe that the modifications proposed in that portion of the
Public Works Code that relates to accounts are already before Government

2 The only Chapter of the Public Works Code now remaining to be dealt with
is Chapter XX, which *inter alia* treats of the exchange accounts of the Public Works
Department with the other departments of Government, and this chapter I cannot
proceed with until I am enabled to learn the views of the Accounts Officers of the other
departments concerned

3. From a letter I have just received from the Accountant-General, Public
Works Department, on the subject, I learn that the whole subject of inter-departmental
exchange accounts is now under the consideration of the Government of India, and
that the Accountant-General, Public Works Department, will be glad to have the
assistance which the conclusions that may be arrived at between the Controller of
Public Works Accounts and the Officers of the Military and Civil Accounts Department
of Madras will afford

4 I am afraid that if the consideration of the subject is delayed, the result will
be that in the discussion of this important question this Presidency will have no
opportunity of expressing its views, and a system of exchange accounts will be
ultimately prescribed for general adoption, in the settlement of which the Account
Officers of Madras have had no voice.
