

*Proceedings of the Madras Government, Public Works Department,
6th November 1875*

Read the following papers —

No 146 From Colonel A S MOBERLY, R E, District Engineer, Cuddapah, to Major-General G W WALKER, R E, Secretary to Government, Public Works Department, dated Camp at Moodanoor, 29th September 1875, No 1,440

I HAVE the honor to submit, for the favorable consideration of Government, the accompanying copies of correspondence which has passed between the Controller of Public Works Accounts and myself

2 There is a rule that the maximum to be drawn in the Public Works Department by an Executive Engineer is Rupees 1,250, but I know of no rule saying that the difference between the total laid down for a first-class* Executive Engineer and the pay† of Lieutenant-Colonel of Engineers shall not be drawn in the Military Department.

RS	A	P
* 600	0	0
† 1,002	4	0
1,602	4	0
1,250	0	0
352	4	0

3 Agreeably to the permission given in paragraph 14 of G O G G, No. 341, of 7th October 1870, I elected for the old rules, which allowed that the staff salary of an appointment should be granted in addition to the Military pay of the officer, and so I respectfully urge that I am entitled to the monthly salary of Rupees 1,602-4-0, and as Rupees 1,250 only may be drawn in the Public Works Department, that the balance Rupees 352-4-0 should be debited to the Military Department

In returning the papers as per margin, referred under your docket No 4,877, dated 7th October 1875, I have the honor to state that, under the orders marginally noted, when the aggregate receipts of a Military Officer in Civil or Staff employ are less than his substantive Military pay, the difference is payable to him as a Military charge.

Proceedings of the Madras Government, Public Works Department,
9th November 1875.

2 The maximum salary plus pay proper received by Colonel A S Moberly, R E, District Engineer, Cuddapah, from the Public Works Department, Rs 1,493-8-0, is however in excess of the Military pay and allowances of his rank (Rs 1,002-4-0 less horse allowance) and he is not therefore entitled to any difference from the Military Department

TRANSFERRED, with the referred papers, to the Public Works Department.

Copy of letter from the District Engineer of
Cuddapah to the Controller of P.W. Accounts
Dated 7th September 1875, No 1248.

In para XIV of G.O.G.G. No 341 of 7th
October 1870 published in pages 1383-1385 of
the Fort Saint George Gazette it is laid down
that Royal Engineer officers were to have
the option of the old or new rules as regards
salaries in the P.W.D. I selected the old
rules and being at the time a Lieutenant
Colonel and Superintending Engineer drawing
Rs 800 Staff Salary I drew Rs 1802-4-0
monthly.

On the re-organization of the Depart-
ment I was reduced to Executive Engineer
1st grade, the Staff Salary of which is Rs 600
to which should be added my pay as a
Lieutenant Colonel viz Rs 1002-4-0, making
a total of Rs 1602-4-0 but on
my return in 1874 from furlough your
predecessor informed me that I could only
draw Rs 1493-8-0, as the maximum to be
drawn in the P.W.D. was laid down to
be only Rs 1250.

Now I admit as laid down in the

Rules but I know of no order saying
down that the difference Rs 352-4-0
should not be drawn in the Military
Department. I beg to be informed if
such an order exists.

Copy of letter from the Controller of P.W.
Accounts to the District Engineer of Cochin
Dated 14th September 1875, No. 56 C. E.

In reply to your letter No.
1248 of the 7th September 1875 I have the
honor to inform you that I know of no
order under which the difference of pay to
which you allude may be drawn in the
Military Department. It is only when the
consolidated pay of a military officer in
Civil or Staff employ is less than his
substantive military pay that the difference
is disbursed to him in the Military
Department and treated as a Military
charge. See G. O. G. No. 1137 of 1870 published
at page 1662 of the Fort Saint George
Gazette of the 20th December 1870.
