Proceedings of the Madras Government, Public Works Department, 4th February 1875.

No. 107. Read the following endorsement of the District Engineer, Cuddapah, dated 7th December 1874, No. 1,747.—

From Mr. C. SETON, Sub-Engineer, in charge Sidhout Range, to Colonel A. S. MOBERLY, R E, District Engineer, Cuddapah, dated Camp at Cuddapah, 7th December 1874, No 387.

I HAVE the honor to enclose a medical certificate from the Acting Zillah Surgeon of Cuddapah in compliance with G O, No 3,385, dated the 2nd instant, an extract of which was communicated in your No 1,718, of the 4th idem

2. I beg respectfully to add that, so far as my own wishes are concerned in this matter, I do not desire to lead an idle life, and would prefer employment in a military cantonment, or similar charge where the work is of such a nature as not to entail a large amount of travelling and exposure to the sun, but if employment of such a nature cannot be provided for me I trust I may be allowed to take furlough for two years, in order that I may have an opportunity of recruiting my health and constitution by a residence on the sea coast.

SUBMITTED to Government, with reference to G O., No. 3,385, dated 2nd December 1874.

(Signed) A. S. MOBERLY, Colonel, R E,

Certified that I have carefully examined Wm Charles Selon, son of Wm George Selon, Sub Engineer D. P. W. Sudhamt Range, Cuddalapah District. His age is, by his own statement 39 years and 6 months, and by appearance about same, I am of opinion that Wm Sub Engineer Charles Selon is fit for further service of a less laborious character than that which he had been doing.

Service has been meri-
torious, it has not been
sufficiently distinguished
to call for exceptional
treatment of his case.
That his object, of course,
is, to keep on the War-
rant List as long as
possible in hopes of
attaining a higher rank
and Honorary Commis-
sion, to permit of which
would be an injustice
to men steadily working
on in the Department.
That the following Return
of sick leave obtained
by him since 1868 who
his health appears to
have begun to break
down, makes it unlike
that he will ever be fit
for much work
