CIRCULAR ORDER.

With reference to G. O. No. 1,323, of 18th May 1874, suspending the functions of Inspecting Engineers, the Chief Engineer has the honor to notify that each District Engineer will have at his disposal the full amounts of the Budget Allotments under "Repairs," "Civil Buildings," and Military," the allotments given in Part III of the Imperial Budget being trebled in each case for the purpose of making a proportionate distribution of the Military Reserve shown to be at the disposal of the Inspecting Engineer.

In lieu of monthly applications for Repair Funds, District Engineers will, in future submit Quarterly Returns in the accompanying Form; the Return for the first quarter of the current year being due between the 20th and 31st July, i.e., as soon as the Accounts for June are completed.

District Engineers will perceive that under these arrangements it will not be possible to add to Budget Allotments till the Returns for the third quarter of the year are received, with which they will be expected to state what sums they are able to surrender.

Return of Appropriations and Outlay under "Repairs," "Civil Buildings," and "Military," in the District for the quarter ending

CIRCULAR ORDER.

With reference to G. O. No. 1,328, of 18th May 1874, suspending the functions of Inspecting Engineers, the Chief Engineer has the honor to notify that each District Engineer will have at his disposal the full amounts of the Budget Allotments under "Repairs," "Civil Buildings," and "Military," the allotments given in Part III. of the Imperial Budget being trebled in each case for the purpose of making a proportionate distribution of the Military Reserve shown to be at the disposal of the Inspecting Engineer.

In lieu of monthly applications for Repair Funds, District Engineers will, in future submit Quarterly Returns in the accompanying Form; the Return for the first quarter of the current year being due between the 20th and 31st July, i.e., as soon as the Accounts for June are completed.

District Engineers will perceive that under these arrangements it will not be possible to add to Budget Allotments till the Returns for the third quarter of the year are received, with which they will be expected to state what sums they are able to surrender.

Return of Appropriations and Outlay under "Repairs," "Civil Buildings," and "Military," in the District for the quarter ending

MEMORANDUM.

THE Chief Engineer has the honor to call attention to para. 3 of his Circular Order, No 492, dated 4th July 1874 and to request that District Engineers will, in anticipation of the submission of their Appropriation Return for the third quarter, report what sums they are in a position to surrender under "Repairs Civil Buildings, Provincial," "Repairs Military," and "Tools and Plant, Imperial and Provincial."

2. It is particularly requested that no delay may take place in replying to this reference, as until the information called for has been received, urgent demands for funds which have already been received, cannot be complied with.
