Memo:

It is observed that provision has been made for 34 pairs of gates to the Royal Artillery Gun Sheds at Bangalore in an estimate of Rupees 2168 lately received from the Military Department. The undersigned requests the District Engineer Bangalore to report after communication with the Military authorities whether that number is capable of diminution by the blocking up of some of the present gate ways. Plans of the enclosure might be sent to illustrate present and proposed arrangements.

Sir,
With reference to your
Memo No 592 dated 27
October I have the honor to
state that the Officer Com-
manding Royal Artillery
Mysore Division states that
it will not do to block up any
of the gateways. Plans of
the Gun sheds are herewith
forwarded.

I have the honor to be,

Sir,
