

*Proceedings of the Madras Government, Public Works Department,
13th November 1875.*

No. 307. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R E ,
District Engineer, Madura, to Major-General G W. WALKER, R E , Chief
Engineer, Public Works Department, dated Madura, 2nd November 1875,
No 3,127.—

In acknowledging the receipt of G.O , No 2,949, under date the 15th ultimo, I
have the honor to report that the number of Sub-Overseers therein sanctioned have
been appointed by me.

2 I beg to submit for your favorable consideration the great difference of pay
as at present attached to each of the 1st, 2nd and 3rd Grade Sub-Overseers, inasmuch
as the duties to be performed by each of them are much the same in the six large
Government taluqs which include several Zemindaries of considerable size and import-
ance with a large number of roads requiring constant supervision over them.

3. Under these circumstances, I request that you will be so good as to raise the
pay of 2nd Grade Sub-Overseers from 35 to 45, and that of the 3rd Grade from 20 to
35, to enable me to secure the services of competent men to whom I may, with safety,
entrust small cash payments, to relieve the Taluq Overseers to some extent from this
duty, as considerable hardship is felt by the coolies, &c, not getting their wages in
due time under the existing arrangement

4 In conclusion, I request that you will also be so good as to sanction the enter-
tainment of a Clerk and a Lascar on Rupees 15 and 6 respectively per mensem, under
each of the Sub-Overseers of the three grades above-mentioned to enable them to work
in a satisfactory manner.

No. 308. ORDER THEREON, 13th November 1875, No 3,244.

ESTABLISHMENT, No 21-A

respect to the rates of salaries, &c, of Local
