No. 329.

MEMORANDUM.

THE head-quarters of the Western Delta, Godavery, will ere long be moved to Chettipett, where offices for the Range Officer and two Assistant Engineers are now being erected. The question as to the way in which dwellings for these officers can be provided has several times been under consideration, and the difficulty experienced was that a house which an unmarried officer would be willing to occupy and pay for would not do for a married officer. It is considered, however, that were an approximation made to the unit system approved in connection with Military Officers' quarters in Proceedings, Madras Government, No 1,928, of the 20th June 1866, the difficulty, if not fully got rid of, might be faced. A building on the plan of the Rest-house not long since built at Dowlaishweram affords about as much accommodation as two units of the Military plan and would be a fairly convenient residence for the Range Officer, while a similar building would do for the two Assistant Engineers. The cost of each building, including the necessary out-buildings, would not exceed 4,500 to 5,000 Rupees, against 8,000 Rupees, the estimated cost of two units in Bengal, and a rent of 30 to 33 Rupees for the double unit would yield 8 per cent on the Capital sunk, and at the same time be quite within the means of the officers who would occupy the buildings. Major Beatty states that the officers at present in the range are anxious to have houses erected for them, and are willing to pay any reasonable rent, and it is considered that if such permanent accommodation be provided, the occupation of the residences may fairly be made compulsory.

2 Plans and estimates will shortly be received from the Superintending Engineer, and it is recommended that in preparing the Provincial Budget for 1876-77, provision may be made to the extent of Rupees 9,000 for residences at Chettipett.

CAMP AT VENKATAGHERY, (Signed) JOHN MULLINS, Lieut-Colonel, R.E.,
 29th October 1875 Chief Engineer for Irrigation.

No. 330.

ORDER THEREON, 13th November 1875, No. 3,255.

CIVIL WORKS, No 24

THE Chief Engineer for Irrigation will be informed that Budget provision can only be made for works, the plans and estimates of which have been sanctioned. Application for funds must now be made from the Reserve of 1876-77. The rent to be charged will be 6 per cent. on substantive salaries, as in the case of Police Officers in accordance with ruling communicated in G.O., No. 196, dated 23rd February 1875.

(True Extract.)

Major-General, R.E.,
 Secretary to Government.

To the District Engineer, Godavery

„ Chief Engineer for Irrigation.
