*Proceedings of the Madras Government, Public Works Department,
15th November 1875.*

No. 355. Read the following letter from. Captain L. CONWAY-GORDON, R.E.,
Controller of Public Works Accounts, to Major-General G. W. WALKER,
R.E, Secretary to Government, Public Works Department, dated Fort St.
George, 18th October 1875, No. 107 W. —

With reference to G O, No 2,398, dated 20th August 1875, I have the honor
to observe that the arrangement under which in the Kistna District certain boats
(forming part of the floating plant of the Kistna Delta Works) are omitted from the
Register of Tools and Plant, whilst the rents realized on account of these boats are
credited to a Special Fund under Deposits, does not appear to me to be altogether regular
from an accounts point of view, and I have therefore the honor to suggest that the
officer concerned be directed to transfer to the credit of Irrigation Revenue the
balances now at credit of the Range Boat Fund, and to bring the boats in question to
the Register of Tools and Plant

2. I may mention that there will be no difficulty in making, in communication
with the District Engineer, Kistna, such arrangements as will admit of watching these
transactions as carefully as at present, with a view to the occasional re-adjustment of
the rates of boat hire.

No. 356. ORDER THEREON, 15th November 1875, No. 3,288.

IRRIGATION, No. 43.

RECORDED with reference to Proceed-
ings, Madras Government, No. 3,036, dated

raised has been disposed of.
