Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
5th February 1875.*

No 149. Read the following letter from Colonel E. A. FOORD, R.E., Superintending Engineer, Bellary, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bellary, 11th January 1875, No. 1,649 —

With reference to the Order of Government of the 24th September 1873, No. 2,363, I have the honor to request that the Controller may be authorized to pass double horse allowance, as before, to Assistant Engineer Jackson, in charge of the Bellary Range, who was promoted from Sub-Engineer on the 28th August. The promotion does not carry any increase of pay, and I presume it was not intended that it should involve the loss of any allowance hitherto drawn.

No. 150. ORDER THEREON, 5th February 1875, No. 329.

ESTABLISHMENT, No. 10.

HIS EXCELLENCY the Governor in Council sees no reason why Mr. Jackson should any longer be exempted from the performance of the usual duties incumbent on an officer in charge of a Range, and not confine himself to Cantonment duties. Thus he will be enabled to draw the regular travelling allowance of his new rank.
