*Proceedings of the Madras Government, Public Works Department,
5th February 1875.*

No. 153. Read the following letter from G S SAGE, Esq, District Engineer, South Arcot, to Colonel G W. WALKER, R E, Chief Engineer, Public Works Department, dated Camp at Vanamadavy, 19th January 1875, No 220 —

With reference to G. O, No. 2,996, of 12th December 1873, I have the honor to state that the period allowed therein to S Dorasawmy Naidoo to pass the prescribed test for Taluq Overseer expired on the 11th ultimo, and I request that, under the circumstances stated below, the period be extended for six months when next examination takes place

2. Dorasawmy Naidoo applied to appear for the last half-yearly examination held in December last, but as the application was not accompanied by the prescribed fee, a reference had to be made to him for the sum The fee was received in this office, and forwarded to the Principal, Civil Engineering College, on the 4th ultimo, asking him at the same time by telegram to send in the question papers, but this officer stated that it was too late to send the papers. The delay in sending the fee appears to have been due to the Overseer having been away from headquarters, and the Range Officer's letter not reaching him in time.

3 Considering the several emergent works in the taluq which require his incessant attention, I have the honor to request that the period allowed in the Government Order above quoted be extended as above requested.

Sir,

With reference to C.O. No 2996 of 12th December 1873, I have the honor to state that the period allowed therein to S. Dorra-saamy Naider to pass the prescribed test for Rating Crosser expired on the 11th ultimo, and I request that under the circumstances stated below the period be extended for 6 months when next examination takes place.

2 — Dorra-saamy Naider applied to appear for the half yearly examination held in December last, but the application was not accompanied by the prescribed fee, a reference had to be made to him for the same. The fee was received in this office and forwarded to the Principal Civil Engineering College on the 4th ultimo, asking him at the same time by telegram to send in the question papers, but the official stated that it was too late to send the papers. The delay in sending the fee appears to have been due to the Naider having been away from Head Quarters, and the Range officer's letter not reaching him in time.

3 — Considering the several urgent works in the Rating which require his incessant attention, I have the honor to request that the period allowed in the
