

*Proceedings of the Madras Government, Public Works Department,
22nd November 1875.*

No. 496. Read the following letter from Captain L CONWAY-GORDON, R E, Controller of Public Works Accounts, to Major-General G W WALKER, R E, Secretary to Government, Public Works Department, dated Fort St George, 15th November 1875, No 137 W. —

ADVERTING to G O, No 2,887, of the 8th October 1875, and the Notifications No 650 of 1875, in the Military Department, marginally noted, in which the services of Executive Engineer Captain R F Taylor are placed at the disposal of the Military Department, I have the honor to inform you that pay for the full month of October 1875 having been claimed, the amount has been passed by this office on the assumption that the Superintending Engineer had not been able up to the end of the month to arrange for Captain Taylor's relief in the Public Works Department

2 Looking, however, to the dates of the Notifications above quoted, it has been suggested to the Superintending Engineer that, in the event of its being found necessary to retain Captain Taylor's services for a lengthened period in this month, application be made to Government for sanction to the arrangement

No. 497. ORDER THEREON, 22nd November 1875, No. 3,335.

ESTABLISHMENT, No 31.

PUBLIC WORKS order* of 19th October quoted by the Controller, placing the services of Captain R F. Taylor at the disposal of the Military Department from such time as they may be availed of, would appear clearly to entitle Captain Taylor to pay in the Public Works Department until actually relieved. It does not appear therefore that additional orders are required.
