*Proceedings of the Madras Government, Public Works Department,
6th February 1875.*

No. 163. Read the following endorsement of the Acting Chief Secretary to Government, Educational Department, dated Fort St. George, 18th January 1875.—

From E B POWELL, Esq, Director of Public Instruction, Madras, to the Honorable D F. CARMICHAEL, Acting Chief Secretary to Government, Fort St George, dated Madras, 14th January 1875, No. 70.

In connexion with G O, Public Works Department, No 3,484, of the 11th December last, I have the honor to submit a letter, No. 568C, of the 5th instant, from the Principal of the Civil Engineering College, in which Lieutenant-Colonel Rogers urges that Supervisor Stewart may be allowed to fill the vacant post of Master of the special drawing class in the College.

From Lieutenant-Colonel H T ROGERS, R.E, Principal, Civil Engineering College, to E. B POWELL, Esq, c.s r, Director of Public Instruction, Madras, dated Chepauk, 5th January 1875, No. 568C

With reference to G O, No 3,484, Public Works Department, dated 11th December 1874, I have the honor to point out that the Civil Engineering College being the only establishment in the Presidency for supplying an educational training to the subordinates of the Public Works Department, efficient instructors can be found only among the former pupils of the College unless they be provided out of the Presidency altogether, and in this case the expense would be very considerably greater, and the instructors would be without that valuable practical knowledge of the requirements of the Department Public Works which men who have been employed in it can alone possess

2 I trust that, seeing that the College is entirely dependent on the Public Works Department for efficient instructors, the Head of that Department may be able to make some arrangement which will allow Sergeant Stewart to occupy the place of Drawing Master now vacant, and I would also suggest that the Department Public Works will not have its efficiency injured by the loss of Sergeant Stewart's services to anything like the extent that it would suffer from the College being supplied with an inferior man for the instruction of its subordinates in the future

FORWARDED to the Public Works Department for consideration and disposal.

(Signed) D. F. CARMICHAEL,
Acting Chief Secretary
