We examined a male corpse lying on the ground of Chengen Pattan of Nagalapuram, having the head on the south and legs on the north, on the east of the Government Chuttrum. There are no marks or wounds on the body of the deceased. The deceased man got down from the train which came from Tirupetty to Arcanum at 7 A.M. on the 11th; was attacked with serious ague and belly-ache; was suffering from the effects of the diseases till 4 A.M., and died in the room where tickets are granted. The circumstance was reported to us by Police Constables, Nos. 461 and 113, and by porters. He was removed, and inquiry was instituted, and it is not known what caste, country, or name of the deceased. The deceased would be about 35 years old.
