The work is entered in the list of Petty Construction and Repairs to be executed in the Revenue Department, and was not included in the list of works to be transferred to the Department of Public Works, forwarded to Government with the Board's Proceedings, dated 16th September 1875, No. 2,539, as the Collector reported in his letter, dated 20th July 1875, No. 992, that there were no works to be transferred to the Public Works Budget.
