Proceedings of the Madras Government, Public Works Department,
7th December **1875.**

No. 99. Read the following endorsement of the Chief Secretary to Government, dated Fort St. George, 30th November 1875, No. 736 :—

From Major T. E. TENNANT, Inspector-General of Jails, to the Honorable W. HUDLESTON, Chief Secretary to Government, dated Chittoor, 29th November 1875, No. 230.

With reference to the Proceedings of Government, Public Works Department, dated 14th October 1875, No. 2,929, I have the honor to state that the piece of land originally selected for the site of the Police Lines at Coimbatore was so near the jail lands that there was reason to apprehend that the wells required to be sunk thereon would affect the supply of water in the wells of the jail garden and farm. Another site was accordingly selected in communication with the Superintendent of Police, which is in all respects preferable to the original site nearer the jail.

2. The present site was approved of by Government in their Order dated 28th February 1872, No. 237, Judicial Department.

Transferred to the Public Works Department.

Chief Secretary.

the original date fixed by
