No. 101. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 29th November 1875, No. 648 :—

From D. LOGAN, Esq., Acting Agent, South Indian Railway, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Trichinopoly, 17th November 1875, No. 999.

I HAVE the honor to forward herewith an extract from the Managing Director's letter, No. 59, dated London, 22nd October last, in which it is recorded that upon the recommendation of Mr. Betts the Directors have, subject to the approval of the Madras Government, sanctioned an increase to the salaries of Mr. Stanton, Traffic Manager, and of Mr. Smith, Chief Auditor, from Rupees 636 to Rupees 819 per mensem.

2. I have great pleasure in asking you to be so good as to obtain the sanction of Government to these increases, because I know of none who, in my opinion, more thoroughly deserve this recognition of long, unremitting, and able attention to their duties and to the interests committed to their charge.

Extract from Managing Director's letter No. 59, dated London, 22nd October 1875.

Salaries of Mr. Stanton, Traffic Manager, and of Mr. Smith, Chief Auditor.

I HAVE the pleasure to inform you that at their last Meeting, the Directors passed the following Minute on this subject, and they trust that the Government of Madras will be pleased to accord their sanction to the salaries of these officers being increased to the extent named :—

"Submitted letter from Mr. Betts, dated 12th October, requesting that the Board would be pleased to take into consideration the question of increased remuneration being accorded to the Traffic Manager and to the Chief Auditor. These two officers have been in the Company's service respectively for thirteen and twelve years; and Mr. Betts stated that they had manifested great zeal in the conduct of the Company's affairs, and that their duties had always been satisfactorily and efficiently performed.

RESOLVED—That on the recommendation of Mr. Betts, and in consideration of their length of services, faithful performance of duties, and the increase of work which will necessarily devolve on these officers in consequence of the opening of the line to Madura, and the anticipated opening of the remainder of the Southern Extension in December next, the Board sanction (subject to the approval of the Madras Government) an increase of the salaries of Mr. Stanton, Traffic Manager, and of Mr. Smith, Chief Auditor, from Rupees 636 to Rupees 819 per mensem (the rate of pay accorded to first-class Assistant Engineers), such increase to take effect from 1st January 1876.
