WITH reference to G.O., No. 3,274, of 16th November 1875, paragraph 7, I have the honor to state that it would appear that the door and window frames required for the Taluq Cutcherry at Kallacoorchy were expected to have been received from the Public Works Workshop and paid for in March last to cover balance of allotment; but these were despatched only on the 8th April. The unexpended balance of the allotment was not therefore surrendered in good time.
