*Proceedings of the Madras Government, Public Works Department,
14th December 1875.*

No. 275. Read the following endorsement of the District Engineer, Presidency, dated Fort St. George, 8th December 1875, No. 3,891 :—

From J. N. GRAINGER, Esq., General Superintendent of Public Works Stores and Workshops, to Captain ROSS THOMPSON, R.E., District Engineer, Presidency, dated Chepauk, 4th December 1875, No. 1,111.

I HAVE the honor to return, for transmission to Government, the Packing Account of a case containing two copies of Report on Public Health, forwarded per Parcel Post of the 23rd August 1875, as the case has not up to date been received.

2. On application to the Master Attendant, that officer sent me the following copy of the Postmaster's reply to his inquiry regarding the case of books above alluded to:—"The registers of this office have been looked into from the 1st September 1875, but no Overland Post Parcel to the address of the Chief Engineer, Madras, appears to have been received."

3. As the case might have been inadvertently misdirected, inquiries were made in all the departments of the Government Secretariat, Surgeon-General, Indian Medical Department, and Sanitary Commissioner's Office, but the books have not been received in any of the above-named offices, and, as there now seems no probability of recovering them, it remains with the Government to determine whether the Home Government should be requested to send out other copies of the Report.

SUBMITTED to the Chief Engineer and Secretary to Government, Public Works Department.

(Signed) ROSS THOMPSON, Captain, R.E.,
District Engineer, Presidency.

Nos. 276 & 277. ORDER THEREON, 14th December 1875, No. 3,536.
