*Proceedings of the Madras Government, Public Works Department,
18th December 1875.*

No. 313. Read the following letter from W. D. HORSLEY, Esq., Collector of Cuddapah, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Cuddapah, 8th December 1875, No. 31 :—

In reference to G.O., No. 2,666, dated 16th September 1875, I have the honor to state that there are brick-kilns at Timmapuram in the Voilpaud Taluq, which, like the kilns at Kalkudda, are supposed to have been burnt for Government by Mr. Addis. Though nothing is to be found in the records of the District Engineer regarding these kilns, that officer thinks it is probable that the bricks were prepared by Mr. Addis. I can find no claimants for the bricks at Kalkudda and Timmapuram ; but before issuing a notice regarding them in the District Gazette, I beg that Government will reconsider their order under reference, and, instead of selling the bricks, that I may be permitted to use them for building village savidis and other small buildings of a similar nature. The Sub-Collector says that the bricks will fetch a very small price if sold by auction.

No. 314. ORDER THEREON, 18th December 1875, No. 3,555.

ACCOUNT, No. 13-A.

On its being distinctly ascertained that no claim but that of Government to the bricks in question can be sustained, the District Engineer will be at liberty to utilize them in the manner proposed, crediting their estimated value to Local Road Funds.
