*Proceedings of the Madras Government, Public Works Department,
20th December 1875.*

No. 341. Read the following letter from Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated St. Thomas' Mount, 9th December 1875, No. 3,819 :—

I HAVE the honor to observe that the Collector has made a mistake in his letter No. 132, printed with G.O., No. 3,353, of 23rd ultimo. The estimate for Rupees 160 is for repairs, not for the new work.

2. By other surrenders I am able to undertake this work (repairs).

3. The increased accommodation was sanctioned by Government in Order No. 152, of 20th November 1874, at a cost of Rupees 266. Having repair funds I can under this order now allow the execution of the work, but I beg to point out that it is entirely new and that a transfer will be required, unless I may go on in anticipation of an allotment from savings later in the year.

No. 342. ORDER THEREON, 20th December 1875, No. 3,569.

ACCOUNT, No. 16.

RECORDED.

2. The sum of Rupees 266 is transferred to New Works from the Repair Funds at the disposal of the Superintending Engineer.
