*Proceedings of the Madras Government, Public Works Department,
21st December 1875.*

No. 379. Read the following letter from Major J. BEATTY, R.E., Acting Superintending Engineer, Godavery District, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 26th November 1875, No. 2,564:—

I HAVE the honor to forward herewith a plan and estimate, amounting to Rs. 2,000, for an office-building at Palcole to accommodate an Overseer and a Local Fund Sub-Overseer, and to request you will be good enough to obtain the sanction of Government.

- 1 Plan.
- 1 Estimate.
- 1 Range Officer's letter explaining the necessity for the works.

2. When writing my letter, No. 1,298, of 23rd July 1874, I expected that accommodation for the Overseer's Office would have been available in the rest-house which was to have been constructed at Palcole, but since then Mr. Walch's bungalow at Nursapore has been purchased for 700 Rupees, and this is to take the place of the rest-house. There has thus been a saving of 1,800 Rupees, part of which may be applied to providing the Overseer with accommodation for office and stores at Palcole, which is the most convenient place to locate him.

3. Should Government sanction funds for the Overseer's part of the building, I shall apply to the Local Fund Board to provide a similar amount on account of the Sub-Overseer.

No. 380. ORDER THEREON, 21st December 1875, No. 3,589.

CIVIL WORKS, No. 22-A.

It is observed that the provision of office-accommodation for permanent establishments is a Provincial charge, and cannot be met from Agricultural Funds, as assumed in G.O., No. 3,159, dated 6th November 1874. The proposal of the District Engineer therefore in his letter above recorded, to divert Loan Funds for the construction of the Overseer's office at Palcole, is inadmissible.

2. The estimate now submitted provides accommodation for a Local Fund Sub-Overseer in addition to the space allotted for the Taluq Overseer, and is sanctioned conditionally on half the cost (Rupees 1,000) being borne by the Local Fund Board. The moiety chargeable to Provincial Funds will be allotted from the Reserve of 1876-77.

Sir I have the honor
 to bring to your notice
 that at Palkote, the
 head quarters of the
 Narasapur Taluq Amraor
 & of a sub-overseer,
 there is no building
 suitable for their office
 Establishments. The

The Taluk Overseer keeps his office in old sheds near the Lock & the Suboverseer has to make his own arrangements in the village - the old sheds not being large enough for the two overseers offices. It is chiefly on account of the Suboverseer that I bring the matter forward as he has no office at all. I would propose erecting an office capable of holding the two Establishments - & it would be cheaper to do so during the time of construction of Palhole Lock than at any other time. Half the cost of the building would have to be borne from Local Funds. Palhole is a station where the head quarters of a Taluk Overseer and Suboverseer are likely to be permanent.

From the Dy. Supt. Engr. { Mr. No 2564 of 21 Nov 1914
for survey }

It is observed that the provision of office accommodation for permanent establishments is a Provincial charge, and cannot be met from Agricultural funds as assumed in G.O. No 3159 dated 6 Nov 1914. The proposal of the District Engineer therefore in his letter above recorded to divert loan funds for the construction of the Overseer's Office at Palcole is inadmissible.

The estimate now sub-
mitted provides accom-
modation for a Local
Fund Sub Overseer in
addition to the space
allotted for the Village
Overseer, and it is on
this ground intended
to charge Local Funds
with a moiety of the
cost of the building.
Before entertaining this
proposal it is necessary
to have the approval
of the local board
which the District Sur-
geon will procure.
