G.O. No.	3596-3597	Press	Original
B.P.—No.	3598	Mis.	
			1825
Dated	21 — 12 —		—195—

Not to be folded or roughly handled

No. 391. Read the following letter from Major J. BEATTY, R.E., Acting Superintending Engineer, Godavery District, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 30th November 1875, No. 2,609 :—

In reply to your docket,* No. 272, of 20th November 1875, I have the honor to inform you that an Overseer is required for the Upper Godavery, now that Mr. Moore has been ordered to his proper duty, that of boring for the Geological Department. But I consider that the man to be appointed to that post should be an efficient Draughtsman, Surveyor, and Leveller, capable of aiding the Officer or Upper Subordinate in charge of the range in the preparation of plans and estimates; and he should also be a steady *trustworthy* person who could take temporary charge of the range when necessary. He will, of course, draw the pay of the next higher grade in the department, as an inducement to him to risk his health in such a climate.

* On docket No. 1,701 I. E. from the Under Secretary, Bengal, herewith returned.

2. I beg to suggest that the numerical strength of the department be increased to allow of an Overseer of some experience being made available for this duty. It seems probable that the man Sambiah who has now applied for employment has only passed the Bengal Test, and he probably does not possess the requisite qualifications.

3. At any rate it should be made perfectly clear that this is not the same Sub-Overseer Palipu Sambiah mentioned in G.O., No. 2,093, of 9th October 1860. *That* Sambiah was guilty of embezzlement, was prosecuted to conviction, and sentenced to three years' imprisonment with labor. I am also informed by a member of the department who knew him here that he went from this district to the works on the Mahanuddy and obtained employment there.

No. 392. Order thereon, 21st December 1875, No. 3,596.

ESTABLISHMENT, No. 31.

The Government of Bengal will be informed that no hope of employment on the Upper Godavery Works can be held out to P. Sambiah; but it is necessary that the Officer in charge of the Dumagudiem Range should have at his disposal an efficient subordinate not below the rank of Supervisor who would on an emergency be capable of taking charge of the range. A Subordinate of this class was provided for in the scale of establishment authorized to be retained in G.O., No. 1,071, dated 7th April 1873; but the District Engineer, Godavery, subsequently reported in his letter, recorded with G.O., No. 1,427, dated 25th May 1875, that Supervisor Ramsden, the subordinate in question, had been removed by, it is presumed, the Government of the Central Provinces.

Proceedings of the Madras Government, Public Works Department,
21st December 1875.

2. The Government of India will now be requested to increase by one the sanctioned strength of Supervisors, 1st Grade, allotted to this Presidency, and to authorize the entertainment of an additional sub-divisional establishment to be attached to the Supervisor.

DUGUMBRIE.

No. 894

FORWARDING copy of Proceedings requesting the Government of India to increase the strength of the establishment of the Upper Godavery Works.

Cuttack 20th October 1875.

To

The Executive Engineer
Mahanuddy Division,
Cuttack.

Sir,

I humbly solicit the liberty of bringing the few following lines into your kind consideration.

Prior to my employment on the Mahanuddy Anicut in 1863 I had been as a Sub-Overseer under Colonel Haig on the Upper Godavery.

Colonel Rundall after my advent to this District appointed me as an overseer in which appointment I have ever since been discharging my duties invariably to the entire satisfaction of my superiors.

On the transfer of the Irrigation works to the Government and after the works which had then been under my charge on the Baldundah Canal, were completed; I was posted to the Jumboo station. During my stay at Jumboo for one year for the first time I was constantly laid up with repeated

repeated attacks of fever owing to which my health has entirely broken down.

I was therefore under medical treatment in Cuttack Hospital in Dr. Bayley's time.

On recovering my health, I was again posted to Jumboo, after staying there for a few months I was again subject to fever. My residence at Jumboo was about 2 years in all. You are good enough to remove me for a change to Jugguluingpore considering my physical state. But the climate of the latter station where I have been from last October has made me much more worse. My appetite having completely failed, I am getting weaker day by day.

I therefore earnestly crave your favour to recommend me for a permanent transfer to the Upper Godavery District (Madras Presidency) which being my native country, I hope will agree with my constitution. I and my family will be most thankful for your generosity.

I beg Sir
Yr. Obt. Servt.
(Sd) P. Sambuch
Overseer

Memo No. 4824
Dated the 28th October/75.

Copy forwarded to the Superintending Engineer Orissa Circle with a request that this man may be recommended to Chief Engineer for transfer as he has become very sickly since working at the Jumboo Location and requires a change and probably a transfer to his own country will improve his health.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

UNDER date the 21st Dec/75.

Read the following:—

From The Government of Bengal } (H.E. No 1701 D.E. d/13th Nov/75)

" The Offg. Supdg. Engineer Cuttack District } (" " 2609 d/30th Nov/75)

The Government of Bengal will be informed that no hope of employment on the Kapur Godavery work can be held out to P. Sambiah; but it is necessary that the Officer in Charge of the Dummagudem Range should have at his disposal an efficient subordinate probationer the result of supervision

Supervisor who would on an emergency be capable of taking charge of the Range & subordinates of this Class and provided for in the Scale of Establishment authorized to be retained under G. O. No 1071 d/ 7th April/73, but the District Engineer Opr. Harvey subsequently recorded in his letter recorded with G. O. No 1427 d/ 28th May/75 that Supervisor Ramsay the subordinate in question had been removed by, it is presumed, the Government of the Central Provinces.

The

The Government of India will now be requested to increase by one the sanctioned strength of Supervisors [illegible] to be allotted to this Presidency and to authorize the sanctioning of an additional Subdivisional Establishment to be attached to the Supervisor. ~~The Superintending Engineer Opr. Harvey has proposed that a Supervisor may be appointed to the Esplanade Range, but as the higher grade of the subordinates.~~

H.R. No 3597 d/ 21 Dec/75. Copy of the above forwarded to the Government of Bengal.
