Muddapah District
Engineers Office
1st December 1895

From The District Engineer
of Muddapah

To The Secretary to Government
Public Works Department
Fort St. George

Sir
I have the honor to
report that I have considered
it necessary to remove Serpanth
Supervisor Pinnu from the
Charge of the Sub Division in
the Muddapah Range, on account
of gross carelessness in his accounts
and inattention to orders. In the
month of September last it
was brought to my notice that
Mr Pinnu had been carrying out
work on the Muddapah and
Bellary Road without retinate
and had been wrongly charging
it to maintenance. I at once
proceeded with Mr Leonard
to the Muddapah Range
Officer to the place and having
examined

examined and measured the work, and of opinion that all was carried out with the exception of one item of Rs 87-9-6 which I at once disallowed and as payment had been made I directed to recover the amount from Pinner. I reported the matter to the President of the Local Fund Board and at a meeting held on the 16th instant the Local Fund Board requested to call on Mr Pinner for written explanation as to how he came to admit this item which I have disallowed and at the same time has requested that he be not employed on any Local Fund work. I have just heard verbally from Mr Conductor Eaton of other acts of gross carelessness and negligence on the part of Mr Pinner, and on

on receipt of full information I will submit a further report.

I have the honour to be

Yours most obedient servant

W. M. J. Ball R.E.
