*Proceedings of the Madras Government, Public Works Department,
9th February 1875.*

No. 234. Read the following letter from Lieutenant-Colonel R MURRAY, Deputy Director-General of Telegraphs in India, to Colonel G. W. WALKER, R E, Secretary to the Government of Madras, Public Works Department; dated Calcutta, 8th January 1875, No 3,816 —

IN continuation of this Office letter No 1,198, dated the 23rd June 1874, and with reference to the Proceedings of the Government of Madras, and their Order thereon, dated the 3rd July 1874, as the sanctioned arrangement whereby it was provided that, on the Military Hospital at Kurnool being ready to accommodate the Judge's Court, the old Court House should be made over to the Madras Irrigation and Canal Company at a rent of Rupees 50 per mensem which was to be paid to this department as a set off to the expense incurred by it in maintaining a Telegraph Office at Kurnool, having fallen through consequent on the Madras Irrigation and Canal Company having obtained, repaired, and occupied another bungalow, I have now the honor to solicit that the sanction of the Government of Madras may be obtained to the old Court House being made over to this department for the accommodation of its office at Kurnool..

2. In making this application I am well aware that the situation of the building, until lately used as the Court House, is not, as regards the public, so convenient as it might be, but at the same time, as there are no other means whereby the expense of working the Telegraph Office can be reduced, I have no option in the matter.

No. 235. ORDER THEREON, 9th February 1875, No 372.

CIVIL WORKS, No. 15.

THE old Court House at Kurnool not being required by the Irrigation and Canal Company may be made over to the Telegraph Department as an office. — The District Engineer has already been instructed to report when the new Court House will be ready for occupation.
