Remarks

A compensation statement was submitted on the 15th September 1874 for lands taken up in this village for the Survapalli Channel. Parallel to the above and as a branch thereof, another channel was dug in 1873-74 on the lands entered in this statement to irrigate the lands of Golagamudi village. The measurement account of the latter channel having been received since, this statement is now forwarded for sanction. The rates of compensation proposed in this statement are the same as those entered in the former statements - viz. 35 Rs and 12 Rs respectively for wet and dry lands per acre.
