Proceedings of the Madras Government, Public Works Department,
12th February 1875.

From F. CHURCH, Esq., Chief Auditor, to R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, dated Madras, 16th January 1875, No. 79.

It will be in your recollection that at the Stores Committee Meeting of the 11th ultimo, inquiry was made why provision had been made in the Budget of 1875-76 for six Travelling Auditors, whereas in the establishment list submitted for the half-year ending 1875, only four Travelling Auditors had been asked for.

2. It was then explained that the Traffic Manager had represented that the stations were not visited and reported on by the Travelling Auditors so often as, in his opinion, they ought to be, and hence the necessity for further assistance in this branch of our work. The opinion of the Committee generally was that it was important to have a more frequent examination of the station accounts by the Travelling Auditors than before.

3. I beg, therefore, to apply for two additional hands at a commencing salary of Rupees 75 each, with the usual allowance for moving about on the line, viz., Rupees 50.

SUBMITTED for the approval of Government.

2. It is requested that the accompanying revised list of the Audit Establishment of the Madras Railway may be substituted for the one submitted with this office letter, No. 777, dated 22nd December 1874.
